

One day at Morning Star Academy, a seemingly normal school

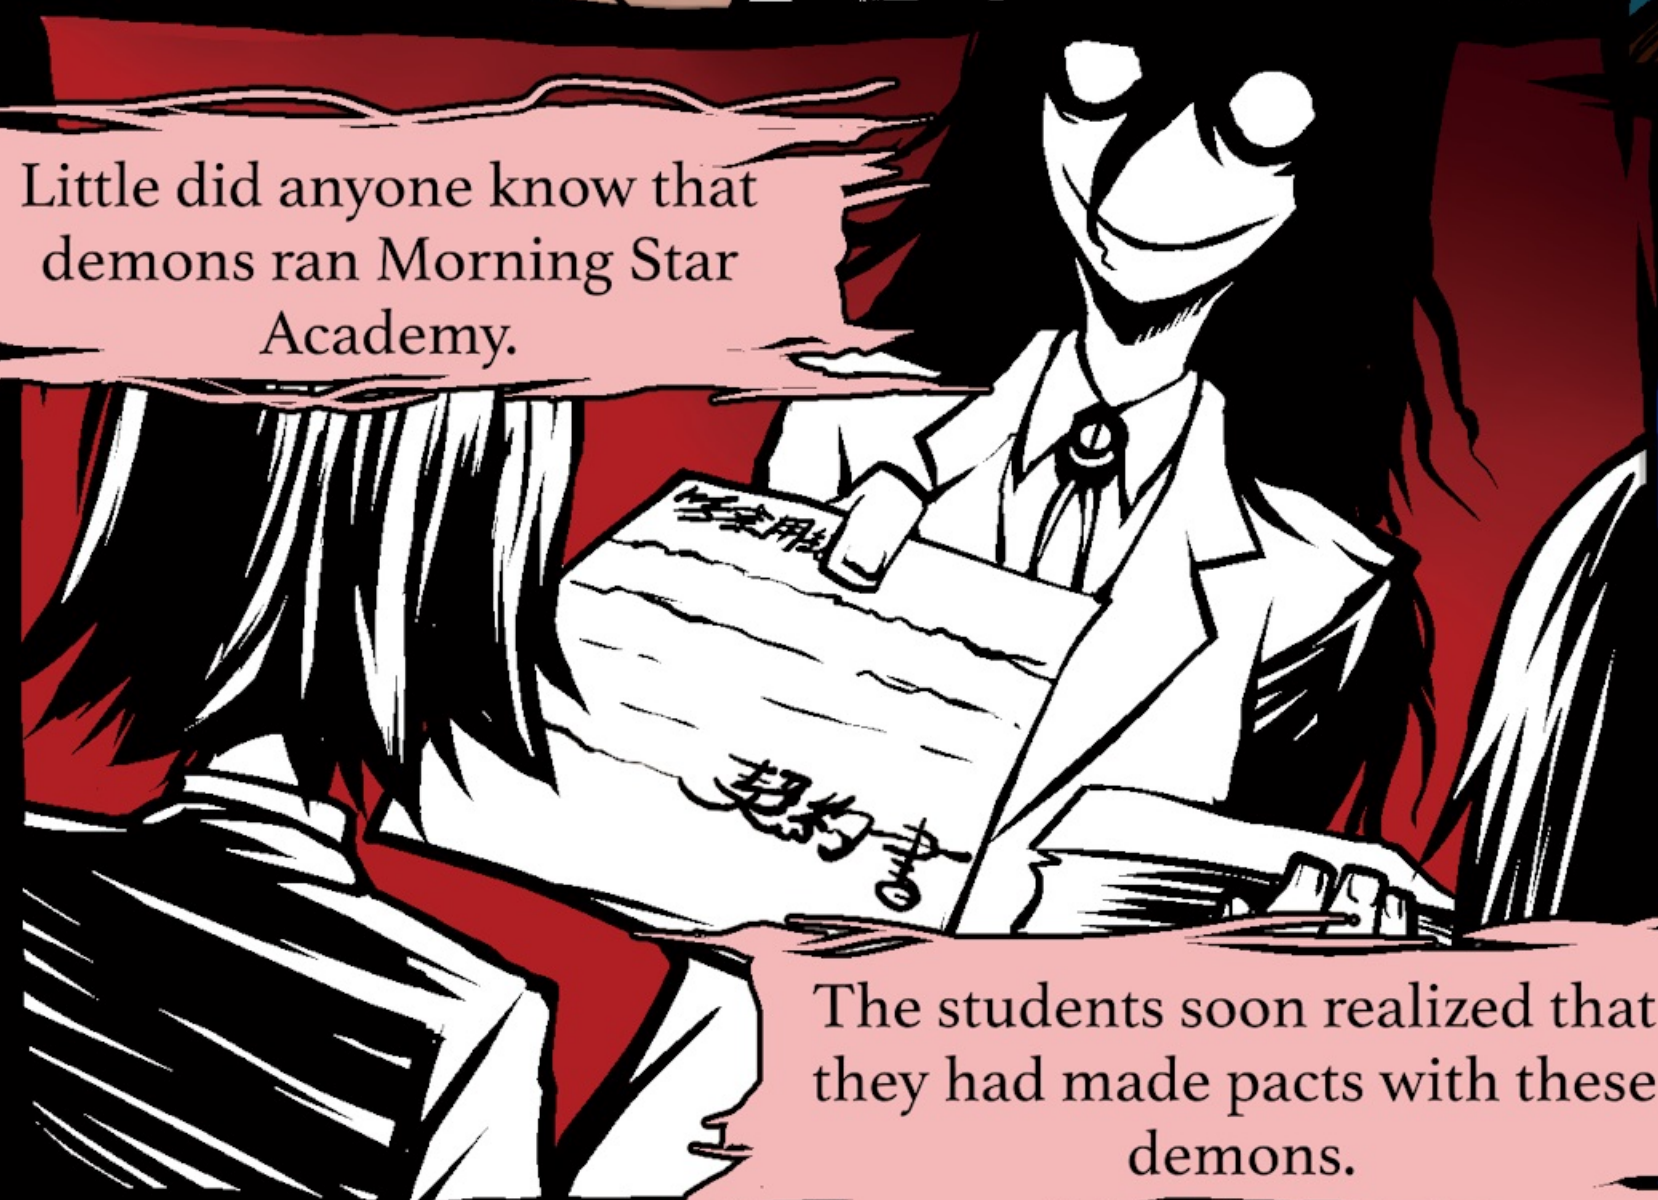

the bell tower mysteriously disappeared.

The students of this elite school all worked hard to improve their various skills.

Little did anyone know that demons ran Morning Star Academy.

The students soon realized that they had made pacts with these demons.

They must now fight to become full fledged witches and perhaps save their souls.

I guess I'll try making a beat down deck for now.

I'll have to watch out for Break cards though.

Hi there. I'm Saaya Matsui. Just your average high school girl.

The Caster Chronicles is my favorite game. My friends all play it too.

And going to the card shop is just part of my daily routine.

Hello!~

Oh, Saaya. Good to see you.

If you're here alone, that must mean you're trying to power up your deck in secret. Right?

I'll take a Caster Chronicles pack, please.

Anytime!~

Huh?  
How's this possible?

A misprint, maybe?  
I've never heard of  
Lv. 5 Casters.

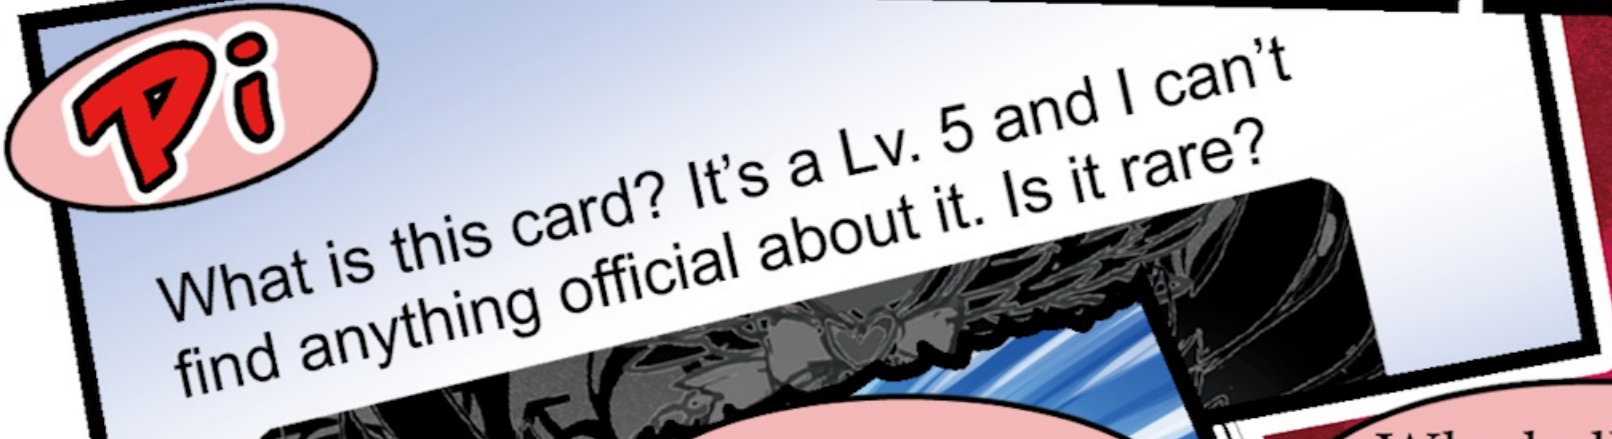

Well,  
let's check  
Tweeter.

Click.

I wonder what foils  
I'll get~

Pi

What is this card? It's a Lv. 5 and I can't find anything official about it. Is it rare?

WOAH!

Why hello there~  
Please excuse the intrusion.

However, I can see that you are prepared.

Shall we commence?

Delete your account right now or really bad things are going to happen!

!!?

This is the  $\pi$ th Dimension. It is the space between reality and the world of Caster Chronicles. Here is where we may duel.

What?

WHAT?

**Change!**

What is this?!

These are -

There's seven cards in orbs.

With 7 more in front of me.

That means...

She's out!

That is correct. Our duel here will work the same way as the Caster Chronicles that we know.

Here goes!

**TAP.**

**Summon!**

Summon Little Match Girl in Reverse Position!

Draw and call. Mia Laira!

I'll just have to go on the defensive!

Rock, Scissors, or Paper? Which should I pick...?

We shall play Rock-Paper-Scissors and the winner will draw 2 cards.

Enter Abilities activate when the card is summoned.

I Shall Activate the Enter Ability!

It will be my play now. Summon Goblin Money-lender!

That was a fine move.

This is it!

Okay! I've decided!

Sadly for you, my servants will be attacking your Disembodied Soul and your Orbs!

While I wish you the best of luck on your draws!

Win!!

Snip! Snip!

It's a Break!!! Firewheel was in the Orb you attacked, so I'll get to play it for free with an Enter Ability too! Destroy the Goblin!

Kyaa!

Worry about yourself! Attack her Orb!

Oh no! Little Soul!

You are but an insect to me

Prepare yourself for the end!

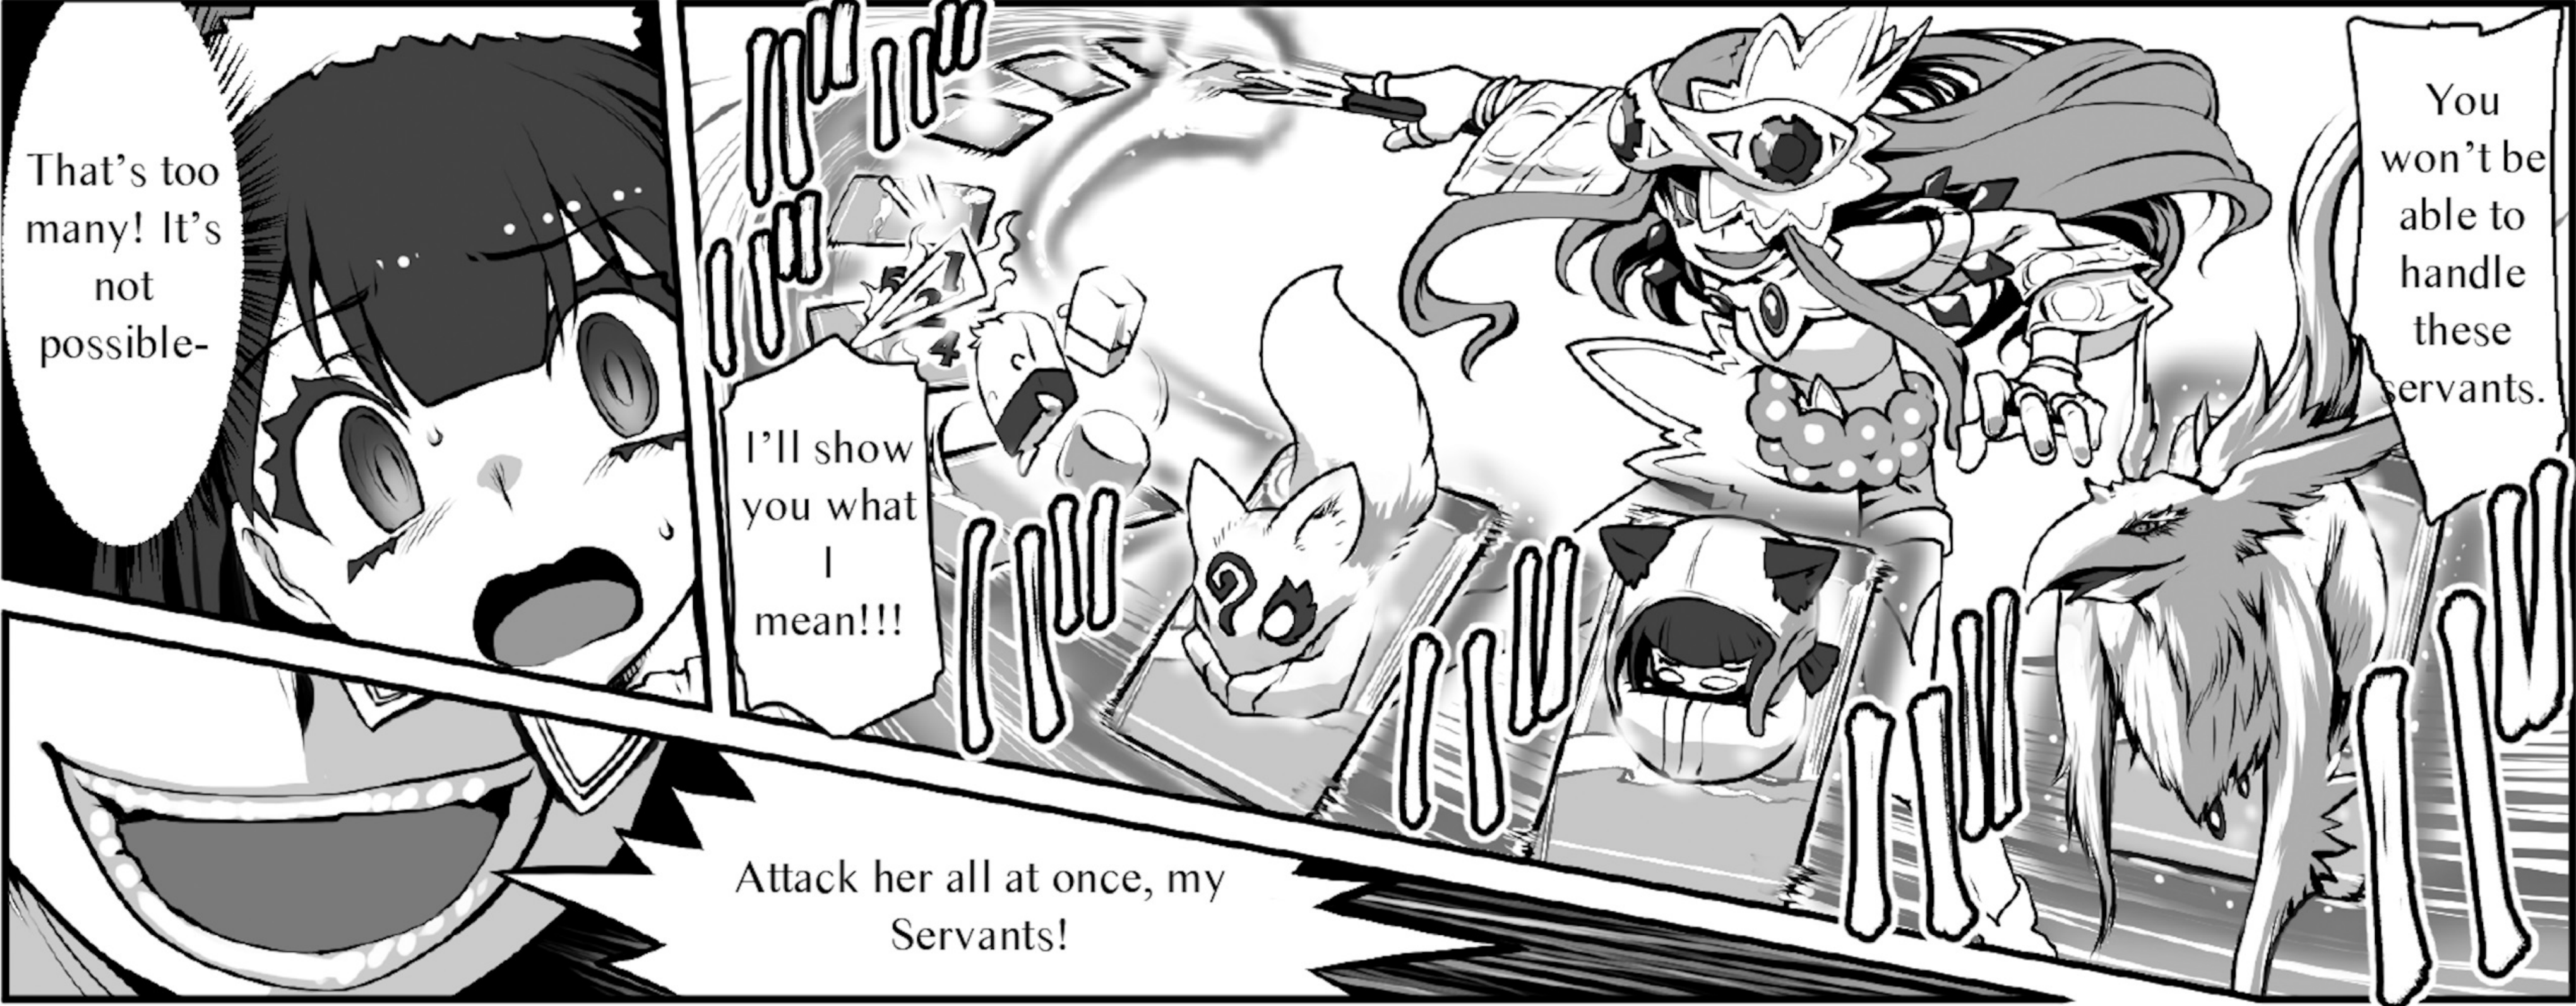

If only there was a strong card in my Orbs...

How many Orbs are left now?

As the game proceeds...

It seems that your bad luck is fairly strong.

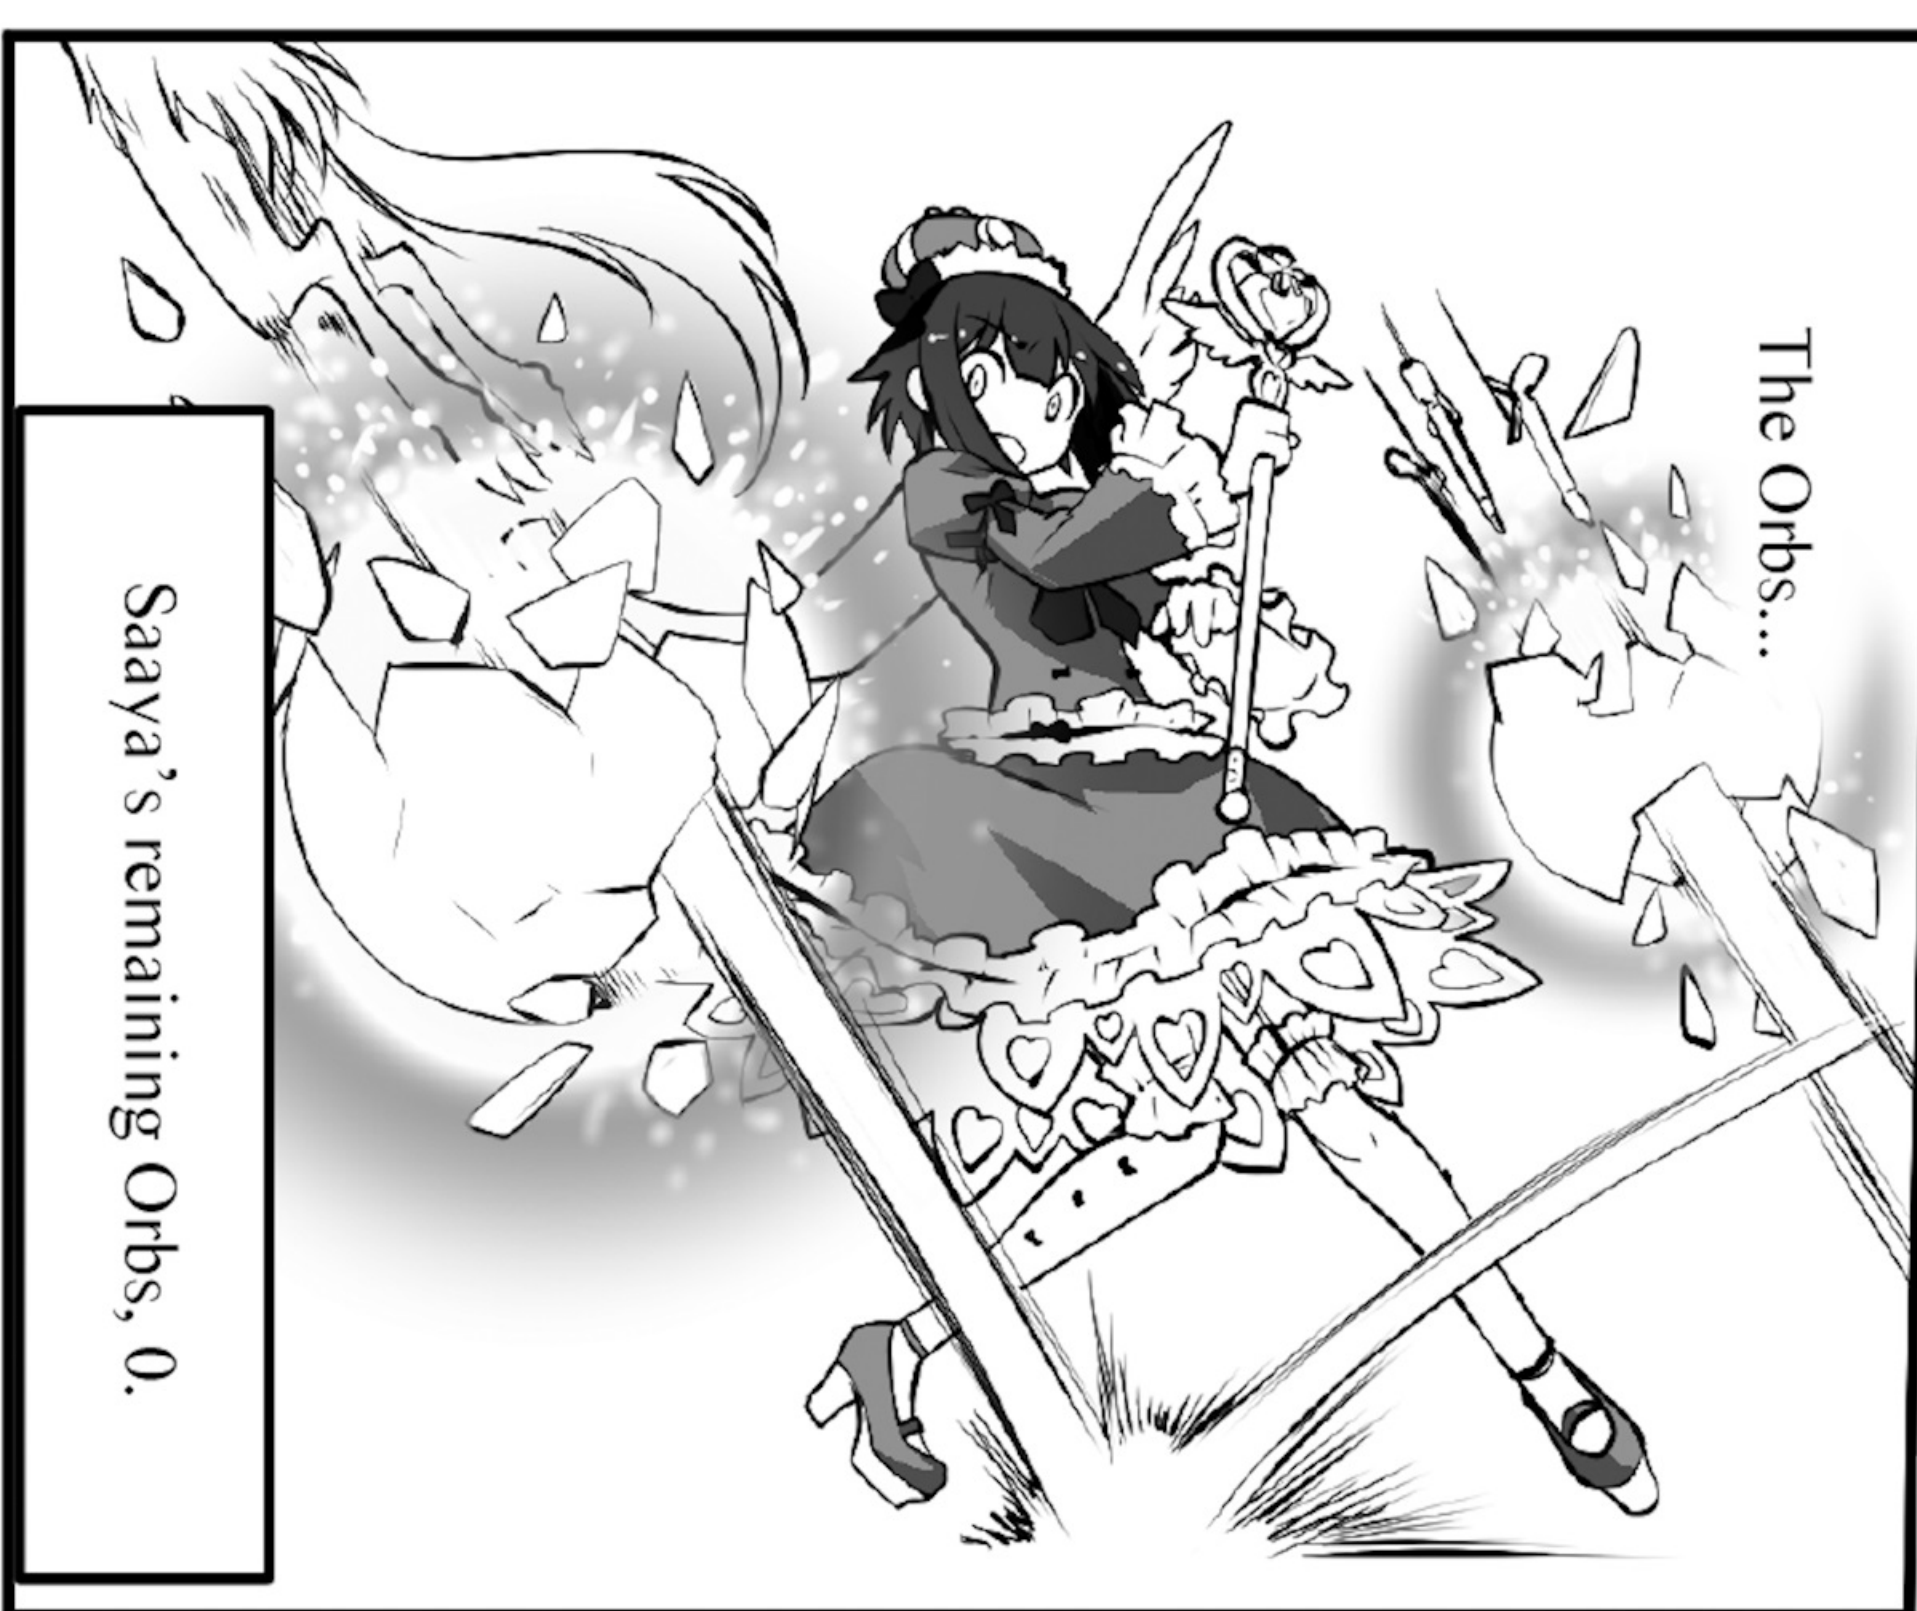

That's too many! It's not possible-

I'll show you what I mean!!!

You won't be able to handle these servants.

Attack her all at once, my Servants!

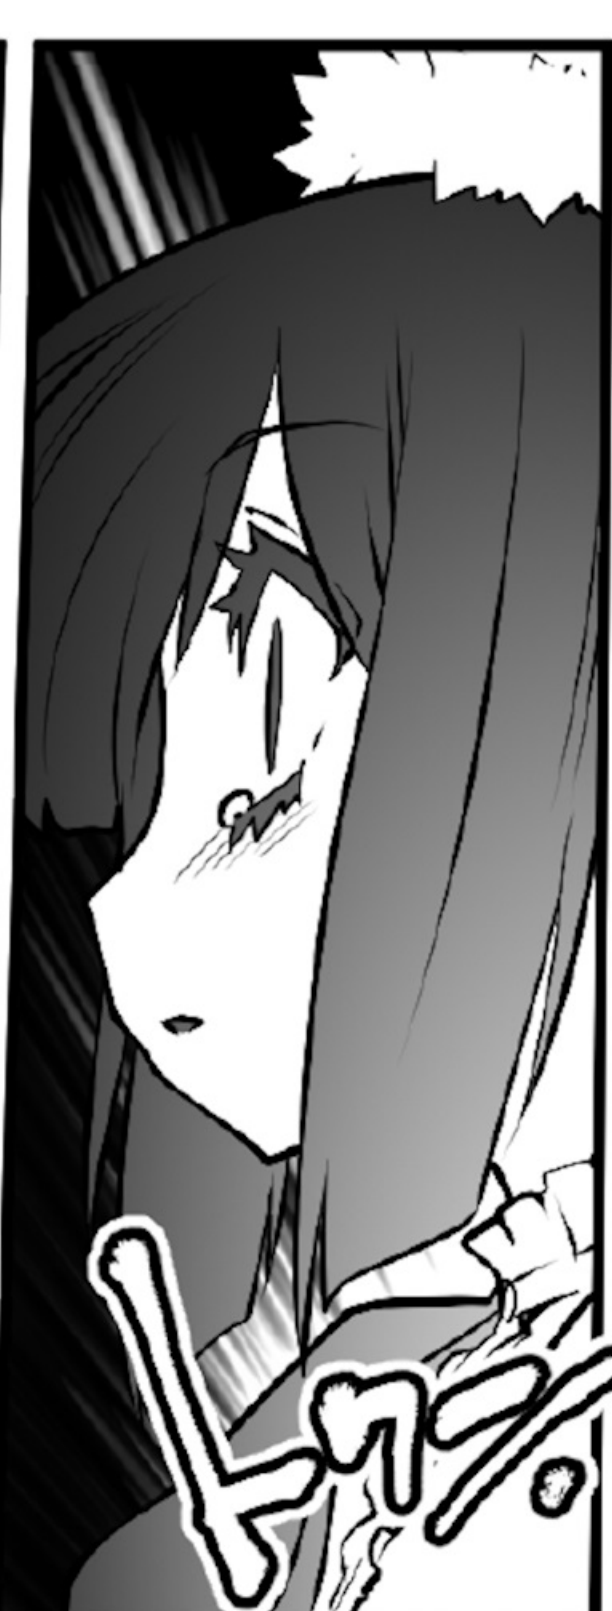

Saaya's remaining Orbs, 0.

The Orbs...

It's reacting?

My Deck Case

If this is a dream, let me wake up...

There's no way that I can win...

I don't remember putting this card in my deck...?!?!?

"Soul-bond" ...?!

I will keep fighting

D  
R  
A  
W  
!!!!

Now, admit defeat.

Yes... That's right

Not as long as there's a card in my deck!

No! I can't give up!

I summon the symbol of our bond, "Sigma Rhein" Our Soulbond Servant~!

"Soul-bond...!!!"  
But that card's just a rumor!

I'll bet it all on this card!  
I'll cast the Conjure Card "Soulbond"! Using "Passion Wing" and "Mia Liara" as material to create a miracle!

Glow Desire... DEFEATED!

K A P O W  
B E A M!

No way... I am out of cards in my hand too!

But that's all of my servants!

And then I'll corrupt your last orbs!

This ability has two parts... and I choose... "DESTROY ALL COST 2 OR LOWER SERVANTS!"

Fabulous...

But, the real battle begins next time.

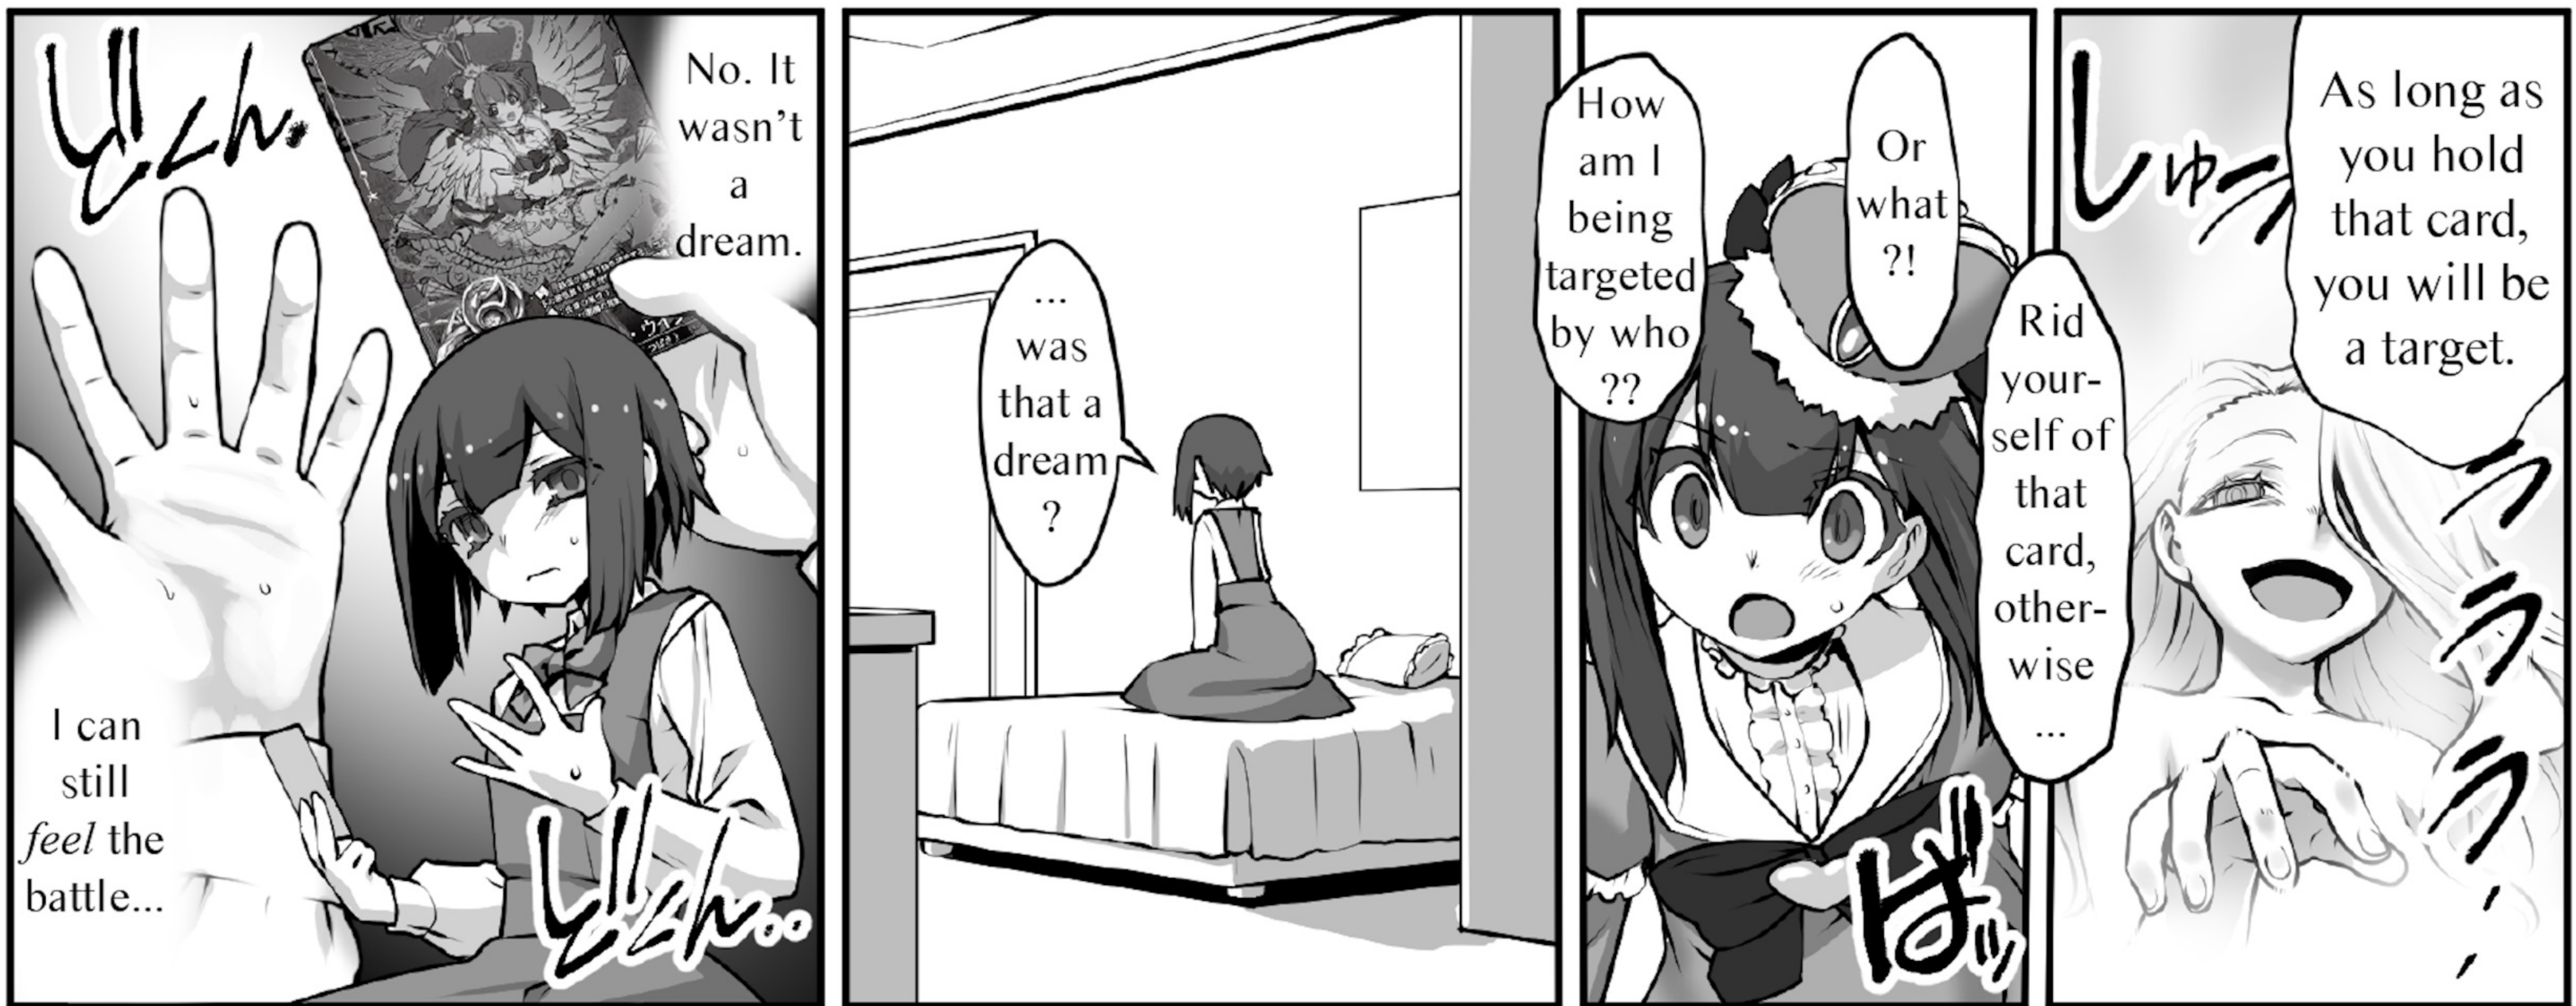

You didn't give up until the very end. It's no wonder you were chosen by that card.

HEY! Your body?!

Uh, thanks? Yes, well. I lost to you. I will admit that much

Well, my room's back to normal at least

I won. Is it over?

No. It wasn't a dream.

I can still feel the battle...

... was that a dream?

How am I being targeted by who??

Or what?!

Rid yourself of that card, otherwise ...

As long as you hold that card, you will be a target.
